Dear Parent of a Prairie Grove student:

Due to the current concerns regarding the spread of the COVID 19 virus, we are asking our students to communicate with their families about future school-related travel.

Your child is scheduled to attend \_\_\_\_\_ on

or during the dates of \_\_\_\_\_.

The school district is carefully evaluating all school-related trips for the next several weeks to consider the risk to our students and teachers, given the current pandemic. While we don't want to prevent our students from having the experiences that these events can offer, we also want to be respectful of your family's concerns.

Therefore, if you wish for your child to NOT participate in the above school event, then please sign below to notify the school personnel responsible. Please be assured that there will be NO PENALTY to your child if they choose not to participate in this event.

-----

I **do not** want my child to participate in the event described above.
