Dear Parents and Community

Thank you for your cooperation and patience during this trying time. The Corona (COVID-19) situation in Michigan is a very fluid situation with things changing on an hour by hour basis. Please stay tuned through our social media outlets and email. Below are the current considerations/decisions that have been made:

1. We are currently working out details to be able to provide some food services to students who need food during this time. It will likely consist of a drive-up service for some box lunches and breakfast. There will be more details to follow as we learn more.
2. ABC Academy Services at Concord Community Schools are closed for the duration of the school closing. ABC daycare services will move to Jackson College.
3. Learning Gaps occur when students take a long period of time off from school so our teachers are providing students with various learning opportunities during this time off. These activities are not required, but we ask that you encourage participation. Please contact your child's teacher with any questions about the activities during our time off.
4. Virtual Learning courses at CHS will continue as normal.
5. After today, 100% of school-sponsored activities are canceled until we receive further guidance from the Governor's office and MDE. Outdoor practices today can take place so coaches can communicate with their teams and encourage individual workouts. We are expecting further guidance from MHSAA later today. The school-sanctioned piece of the Navarre trip is canceled as well.
6. Graduation and Senior Activities will proceed as normal. Again, this is a fluid situation but we do not anticipate any changes to the senior schedule of graduation activities.
7. CHS report cards will be mailed next week.
8. CMS and CES report cards will go out when we return.
9. The custodial staff will be conducting a deep clean of our facilities during this closing. We ask that nobody return to the buildings during this school closure outside of office staff that has to complete some essential duties.
