

## School Dismissal Public Announcement March 13, 2020

Schools will be dismissed Monday, March 16, 2020 through Friday, March 27, 2020.  
(This dismissal may be extended beyond March 27th if necessary.)

School **dismissal** means students will NOT report to school facilities. During a dismissal, students will still complete school work either virtually (electronically) or in packets. By providing educational opportunities through virtual means and through packets during this dismissal, we will not have to make up the days in the summer. Teachers and other school employees will still report to school facilities as usual.

There will be no expectations for students on Monday, March 16 and Tuesday, March 17 as teachers will use these two days to prepare virtual lessons and learning packets.

**Elementary school** parents will pick up work packets from their individual schools any time during school hours on Wednesday, March 18.

- Please look for more information from your student's individual school.

**Middle and high school** students will work from Chromebooks beginning Wednesday, March 18.

- Students will need to check their email first thing on the morning of Wednesday, March 18th in order to access their classes.
- If you or someone you know does not have internet access, please see the press release from Emery Telcom found by clicking [HERE](#). Emery Telcom's generous offer is greatly appreciated.
- Please look for more information from your student's individual school.
