Acting together to maximize every student's potential.

March 13, 2020

Dear Staff and Families:

Governor Evers has issued an order mandating the closure of all K-12 Wisconsin schools from March 18, 2020 through April 3, 2020 with a currently planned reopening on April 6, 2020.

Your Waupun Area School District understands this will have an impact on our families and community. We are implementing our plan to address this unprecedented situation.

Monday, March 16, 2020 – No School for students. Staff will use the day to prepare for the upcoming mandated school closure.

Tuesday, March 17, 2020 – **School is in session for the full day.** This will be a normal school day and staff will prepare our learners in how to continue their learning from home via virtual learning or addressing how parents can retrieve work from schools.

Wednesday, March 18, 2020 – All schools are closed through April 3, 2020. All activities are canceled. Instruction will be provided via digital means or arrangement.

We are working with our food service provider for a plan to bring lunches on Wednesday, March 18 to students that qualify. More information will be sent to qualifying families.

Spectrum has announced that they will offer Spectrum Broadband for 60 days to students. Please call 1-844-488-8395 for further information.

If your 5K-6th grade student needs a Chromebook to participate in digital learning please complete [this form](#) or send a note to your child's teacher. In addition, if you do not have home access to the internet please send a note with your child to share with their teacher on Tuesday. We estimate that 20-30% of our families do not have the internet in their homes.

Please view our website, as we will update it with information as it becomes available. Email any questions to Covid19@waupun.k12.wi.us, and we will respond as quickly as possible.

We are appreciative of this great community and the support we continue to receive. We are your Waupun Area School District.

Sincerely,

Steven Hill
District Administrator
Waupun Area School District
