March 14, 2020

Greenwood Families:

The School District of Greenwood is offering free breakfast and lunch to all district children, ages 18 and under, during this COVID-19 school closure. Starting Thursday, March 19, 2020, meals will be available for pick-up at two locations in our district, Greenwood Elementary and the Willard Community Center.

Both locations will offer a “grab and go” bagged breakfast and lunch. When meals are picked up, they must be taken off-site. Eating on-site is not allowed as the overall goal is social distancing. Greenwood Elementary will be open for meal pick-up from 7am-12 noon each weekday of the closure. Meals will be handed out at the Willard Community Center each weekday from 7-10am. Both breakfast and lunch bags will be given out at the same time, so only one trip is needed each day. Students or parents are allowed to pick up the meals and multiple meals can be picked up by an individual for them and their other family members that qualify.

Good nutrition and care for our families is of great concern for our district. We know the hardship a closure like this can cause for families in our community. We will work hard to ease this burden any way we can, and providing free meals for our kids is a big priority.

We hope you are able to participate in this meal program and if there is anything we can do to help make this more possible, please let us know. If you have any questions, please contact the school office.

Respectfully,

Mr. Felhofer

Mr. Green
