The Board of Directors of the Maranacook Education Foundation believes that we have excellent employees in our school district who provide outstanding educational and support services to the students we serve. In an effort to show appreciation for their service, we are creating a process to recognize an employee each month. Recipients for this recognition will be randomly selected from employees nominated for their excellent efforts by fellow staff, parents, students and community members. Each recipient will receive a small honorarium and most importantly, the public recognition they so richly deserve. Those nominated can be teachers, administrators, coaches and support staff who work in every department in the district. Please use [this link](#) to complete the nomination form in order to make your admired employee a candidate for this recognition.
