Good morning,

The recent COVID-19 outbreak is unprecedented in modern history and the response to it has caused a disruption in many of our day-to-day services. However, both District 2 and District 157 would like to make sure a daily lunch is still available for children who are currently eligible for the free and reduced lunch program. Therefore, during the week of March 16th through March 20th we will be providing a sack lunch for each eligible child between 11:00 am and 1:00 pm at the front entrance of Nippersink Middle School. Parents of eligible children can simply stop by during this time period and pick up a lunch to take home for their child.

If you are unable to get to Nippersink Middle School to pick up your child's lunch, our transportation department will deliver it to your home. In order to get a general idea of how many lunches are needed, we ask that you email tsmith@nsd2.com or call [\(815\) 678-7129](tel:8156787129) and leave a message with the number of lunches you will be picking up and the name(s) of the children they will be for. In addition, if you need the lunch to be delivered, please leave the address it is to be delivered to along with your child's name when responding.

Sincerely,

Tom Lind
