

**Alternative Methods of Instruction (AMI)
Learning Packet 5
Completion Form**

My child, _____, completed the required learning packet covering all subject areas. I understand that student attendance in grades K-12 will be determined based upon the work completed and submitted. I understand that my child will be marked absent if I choose not to return this document with my signature.

Joe Rows a Boat

Joe has a boat at home. He likes to row his boat in the moat around his home. His friend Bo will row with him. Dad will watch.

Joe puts on a uniform to row. "I row a lot," Joe tells Bo. "I row five times a day!"

Bo gets in the boat to help Joe row. "I know if I row I can stay fit," Joe tells Bo. Joe and Bo get in the boat and row in the moat.

★Activity★

Write about what you would do if you had a moat by your home.

Second Grade AMI Day 5

Name _____

In the space below, choose one set of numbers to solve the problem and show your thinking using drawings, numbers, and/or equations. If you use a drawing, make your thinking visible with numbers.

There are 300 folders in the cabinet. 201 folders are green, and the rest are purple. How many purple folders are in the cabinet?
