

WISCASSET ELEMENTARY SCHOOL

83 FEDERAL STREET

Wiscasset, ME 04578

(207) 882-7767

March 15, 2020

Dear WES Families,

We are here to help support you in this difficult time. Please keep in mind that the superintendent will keep you updated on the bigger pieces of the school closure and I will always follow up with specifics. Please email me at twood@wiscassetschools.org if I can help with any questions or concerns.

As you know we are very busy making preparations for our Pk-5 students. We are providing resources and practice work for our students.

STUDENTS SHOULD NOT BE COMING INTO THE SCHOOL ON MONDAY, MARCH 16th.

Students/parents can come into the school on Tuesday, March 17th to pick up their packets, personal belongings, and band instruments at that time. There will be tables set up in the left entry hallway for easy retrieval. We appreciate your cooperation with this request.

Pk-5 Students: Teachers are planning for approximately 1-2 hours of independent work per day. Teachers will communicate specifics regarding platforms/ etc. through school email or class dojo. Instruction will include independent reading, writing, and math practice for these grade levels.

Parents: Please check the district website for any further updates or school closures. On behalf of the WES staff, we thank you for your continuous support during this difficult time as together we help support our students and school community.

Sincerely,

Dr. Terry L. Wood

Principal, WES
