

March 15, 2020

Dear WMHS Families,

We are here to help support you in this difficult time. Please keep in mind that the superintendent will keep you updated on the bigger pieces of the school closure and I will always follow up with specifics. Please email me at [clomonte@wiscassetschools.org](mailto:clomonte@wiscassetschools.org) if I can help with anything.

As you know we are very busy making preparations for remote learning for our middle and high school students. Unfortunately many of our student laptops are at the school at this time. We are making arrangements for students to pick up laptops on TUESDAY, MARCH 17, 2020 IN THE FRONT LOBBY AREA ONLY from 8:00 am - 2:00 pm.

STUDENTS SHOULD NOT PICK UP LAPTOPS ON MONDAY, MARCH 16th.

ALL middle and high school students (INCLUDING GRADE 6) will be allowed to take laptops home in order to electronically access assignments for the next two weeks regardless of having an insurance plan or not. A limited number of workpackets will be made available for students without internet access.

Band instruments will be available for pick up as well at the rear door near the bandroom.

Middle School Students: Teachers are planning for approximately 2.5-3.5 hours of independent work per day. Teachers will communicate specifics regarding platforms/ etc. through school email.

High School Students: Teachers are planning for approximately 3-4 hours of independent work per day. Teachers will communicate specifics regarding platforms/ etc. through school email.

Parents: Please check the district website for any further updates regarding remote learning or school closures. On behalf of the WMHS staff we thank you for your continuous support during this difficult time as together we help support our students and school community.

Sincerely,

Charles F. Lomonte

Principal, WMHS
