Superintendent: Garry Cameron, Office Professional: Erika Lopez, Business Manager: Myrna Gillihan: Payroll: Gloria Dupree

March 15, 2020

Good Afternoon Winlock School District Families,

Contrary to my previous email Friday, on Monday, March 16 the school district will be closed for a deep cleaning of the district. To our knowledge, no staff or students are symptomatic and/or have tested positive of for COVID-19 (coronavirus). But out of an abundance of caution we will not be open for staff, students, and/or community on Monday, March 16th.

The buildings will be open for additional cleaning, meal preparation, and meal distribution, on Tuesday, March 17. On Wednesday, March 18 students and families will be allowed to pick up belongings and medications left at school, from 830 am – 4 pm. Specific Information regarding our district meal service, and childcare for homeless students, first responders, health care providers will be sent out in a separate correspondence later today.

Thank you all for your patience and grace during this unprecedented time.

Sincerely,

Garry Cameron
Superintendent
Winlock School District
