Parents/Guardians:

We realize that there are many unanswered questions. Please know that the information we are receiving from the Wisconsin Department of Public Instruction, Wisconsin Department of Health Services, and the Buffalo County Health Department continues to be fluid. We have been working diligently to come up with a plan to make things run as smoothly as possible for all of our District families. We are meeting with all staff today, and as a follow-up, Administration will meet tomorrow to make sure we're all on the same page. A detailed plan will be distributed to District residents tomorrow.

Thank you for your patience and understanding!
