Dear MPMS Students and Parents,

As we embark on our time away from the building, I would first remind you to be safe and adhere to recommendations from our government regarding this pandemic. I know that there may be some questions regarding school work and nutrition; so I would like to share some pertinent information with you.

As of now, students will be away from MPMS through Friday, 3/27/2020. On campus classes are scheduled to resume on Monday, 3/30/2020. Also, this is the start of a new Nine Week Grading Period and we will treat it as such. Assignments for all academic classes will be available through Google Classroom beginning Tuesday, 3/17/2020. Special instructions regarding this process are now posted on our school website.

Regarding nutrition, TCS (Thomasville City Schools) will have a feeding program consisting of a Grab and Go Breakfast and Lunch at Harper Elementary School and Scott Elementary School between 11:00 AM until 1:00 PM.
