

MID-DEL SCHOOL DISTRICT STUDENT DEVICE PROTECTION PLAN

Mid-Del Public School Device Protection Plan

The Mid-Del Public Schools *Device Protection Plan (DPP)* has been established to give parents the option to purchase protection covering the repair or replacement costs of a district-issued device. Families are strongly encouraged but not required to participate in this voluntary program.

Cases must remain on devices

The cost for the protection plan during the 2022-2023 school year will be as follows:

- \$25 per student.
- Free/Reduced Lunch: \$15/student.

Payments for the Device Protection Plan are available on myschoolbucks.com. This plan is effective until June 30th, 2023 and is non-refundable. If you are unable to make an online payment, you can pay for device protection with the financial secretary at the school your child attends.

This plan does not cover lost equipment; only damaged or stolen equipment.

STOLEN CLAIMS MUST BE SUBMITTED WITH A POLICE REPORT.

Mid-Del Public Schools Technology Responsible Use Agreement

I have received the Mid-Del Public Schools Handling Guidebook at <https://www.mid-del.net/article/492332> which details the basic care, handling, and transportation of the students device.

I understand that my student is expected to:

- Follow the device care information found in the Mid-Del PS Guidebook.
- Bring the device to school fully-charged every day.

I understand that I am expected to:

- Pay the cost of repairing or replacing the device if damaged, lost, or stolen. I understand this cost may be mitigated if I choose to participate in the Device Protection Plan.
