

## Seneca Grade School Speech K-8 e-learning

Directions: Students should practice their sound or language use daily using the information provided, materials sent home, and/or through the websites listed here.

If you were able to get the printed material please follow the calendar and practice using the sound or sounds your child is working on. If you did not receive a paper copy of the calendar you can go to [www.teacherspayteachers.com/Store/Schoolhouse-Talk](http://www.teacherspayteachers.com/Store/Schoolhouse-Talk) search for free summer articulation calendar or free summer language calendar and download it for free.

Here are some websites that include speech & language games:

\*\*\*Remember YOU need to work with your child on these web sites to make sure your child is saying their words or using the language correctly. Just playing the game without support will not be good practice.
