9604 Illinois Street
815-648-2442

District 19 Parents and Guardians:

As we transition into an E-Learning environment, we are continuing illness monitoring and health surveillance for our school community. Per our district policy, please report any student illnesses, including specific symptoms (temperature greater than 100.4, cough, shortness of breath, congestion, sore throat, headache, abdominal pain, nausea/vomiting, diarrhea, eye irritation, etc.) and/or diagnosed cases daily before 10am. Please include any recent travels or exposure to COVID-19 diagnosed persons when reporting. Please call the elementary or middle/high school main office or use ext. 1176. District 19 continues to report health data to the McHenry County Health Department weekly to help prevent the spread of illness to our school community and neighboring partners. We appreciate your continued efforts during this period away from school. Take care and be well.

Bria Spiniolas BSN, RN, PEL-CSN
