

Students,

Unfortunately, we will be away from school for 2 weeks beginning on Tuesday, March 17, 2020. Hopefully we will be back in school very soon. I have planned several activities for you to do while you are away. If you have any questions, you may email me at msexton@galatiak12.org. Looking forward to seeing each of you very soon.

Mrs. Sexton

Classes: 1st, 2nd, 4th, and 8th.

Students,

As you already know, we had planned to begin studying primary and secondary colors today. Then determine the color combinations that we would like to mix to tie dye our fabrics for our individual pillows. Then certain ways to fold our fabric to achieve a certain look or design on our tie dye fabrics. Hopefully in 2 weeks, we will be doing just that.

So I have provided a few websites that you can preview to find out about various combinations of primary and secondary colors and folding techniques to achieve certain designs. Here are a few to get started with:

www.tiedyeyoursummer.com and www.bystepanielynn.com and www.pinterest.com . There are many websites that will give you information. Feel free to utilize the few websites that I have reviewed or research your own choices. Please decide the three colors that you would like to use on your tie dye pillow as well as the folding technique that you would like to use. Please write this information on a sheet of paper as well as record the websites that you visit.
