

Important Update 3-15-20 (1 of 2)

Good afternoon,

On March 15 at 3:20 p.m., Governor Scott announced that statewide school closure will occur no later than Wednesday, March 18, 2020. The purpose of this message is to provide you an update of the actions the Slate Valley Unified School District will take as it relates to Governor Scott's School Closure announcement.

First and foremost, student attendance at school on Monday and Tuesday is a family decision. For these two days, Slate Valley Unified School District attendance procedures will be waived, and no student will be penalized for not attending.

Your district leadership teams will be working with our employees to plan for the support of our students and families during the closure of school. To be clear, our primary areas of focus include the wellbeing of our students, families and employees. The plan that we are developing will strive to encompass all of the components that Governor Scott has referenced in his statement/press conference.

Thank you for your patience and flexibility as we move forward. You can expect regular communication from our district so that we are keeping you informed. We are doing all we can to make sure these priorities are taken care of to the best of our abilities.

Sincerely,

Brooke Olsen-Farrell
