

Free Edmentum Program Access:

If you have schools in your district that do not currently have access to online digital resources for your students, Edmentum is offering a couple of different options to help. Any school or district that is shut down due to the virus can access Study Island, Study Island for Home, or Ed Options Academy FREE OF CHARGE. **Please click [here](#) to find out how to take advantage of this offer.** The website will give you access on how to get started. Please let me know if you are not able to access the link and if you do have any questions.

Free Edmentum Worksheet Bundles:

If you have families that do not have the Internet at home, or you are looking for additional resources, Edmentum is offering *Free worksheet bundles for your students to take home*. These bundles will include math, language arts, science, reading, and literacy activities from a variety of our online programs. Please click [here](#) to access them. The Bundles are broken down by Lower Elementary (K-2), Upper Elementary (3-5), Middle School (6-8) and High School (9-12).

School Closure Resource Page:

If you are looking for resources to help you plan for and execute e-learning days, for a short or extended period of time, please click [here](#). Attached to this website are resources that are designed to help keep your students on-track and learning from home. Please let me know if you have any questions on these resources.
