Hello Bulldog Parents/Guardians,

I wanted to take this opportunity to provide you with an update and some valuable information about the Corona virus. Nita Bachman, our district nurse, is staying updated on a daily basis about the situation. We will be following any guidance that comes forth from the Centers for Disease Control, Illinois Department of Public Health and the CU Public Health District. At this time, there are not specific steps to take, other than to continue to practice good hygiene habits--i.e. washing hands frequently, practicing preventive steps in staying well, and not exposing others to your illness or your children's illness if you or your children are sick or infectious.

The CDC website has a wealth of information and resources about not only the Corona virus, but influenza as well. The link below is helpful in terms of disease prevention, and there is information attached as well, here: [Corona-Influenza Info CDC](https://www.cdc.gov/nonpharmaceutical-interventions/index.html)

<https://www.cdc.gov/nonpharmaceutical-interventions/index.html>

We also urge you to stay updated, on your own, through credible sources such as the Centers for Disease Control.

Very sincerely,

Dr. Lindsey A. Hall

Superintendent of Schools
