What is Google Classroom?

Think of Google Classroom (GC) as your child's digital link to learning.

Teachers use GC to share assignments, homework, newsletters, and much more with students AND parents!
Your child was provided with a secure login and password that is unique to them.

Check with his/her teacher to obtain this private information OR ask them to add you as a parent via email!
Getting Started

1. Click on the Google Chrome browser icon.
