

**AMI LESSONS**  
**6TH GRADE KEYBOARDING**  
**MRS. SORRELS**

**Day 6:** Look at a newspaper or a magazine and write down different things you see that you have learned about in class about formatting. (Bold, Italic, Underline, indented paragraphs, block paragraphs, etc.)

**Day 7:** Watch commercials and tv shows and watch for people using technology. If people are typing, look and see if they are using proper keyboarding techniques. Write about what you see. What are the proper keyboarding techniques?

**Day 8:** Write a paragraph about what you like and dislike about keyboarding. How do you think you have progressed? How do you think keyboarding will benefit you in your future.

**Day 9:** Write about what you've learned in keyboarding so far.

**Day 10:** Write about how you think you could improve your GWAM.
