MARCH 17, 2020

Canceled - Nye County School District Parent/Teacher Conferences

Due to the cancelation of all schools within the state of Nevada, Nye County School District has canceled all Parent/Teacher conferences scheduled to occur March 24th, 25th, and 26th, 2020.

By avoiding the gathering of large groups of people in public spaces, the District continues its efforts to flatten the curve and potentially impede the spread of COVID-19 within our communities.
