## UPDATE

March 17, 2020

Dear Families:

Free breakfasts and lunches will continue to be provided for all Pre-K through 12 students at the Wiscasset Elementary School from 8:00 am –10:00 am starting Wednesday morning. The meals will be available in the back of the building, by the cafeteria door. Please do not walk through the building, but drive around to the back of the school to pick up meals for all students. Staff will be available and all you will need to do is to tell them the number of meals you are requesting and they will bring them out to you. We are looking into the possibility of delivering some meals if transportation is not available for families. Please call the Wiscasset Elementary School at 882-7767 if you do not have transportation to pick up your meals. The regular schedule of meals will be on Mondays and Wednesdays. On Monday, you will receive Monday and Tuesday's meals and on Wednesday, you will receive Wednesday's, Thursday's, and Friday's meals.

If you have not picked up your child's packet of school materials, please do so as soon as possible. If you cannot pick up your child's work, please let us know and we will try to transport it to your home as well.

We are carefully tracking the health and wellness of our students and their families. We encourage any of our families to report any serious health conditions to our school nurse at [msprague@wiscassetschools.org](mailto:msprague@wiscassetschools.org).

The Wiscasset School Department has gone above and beyond in providing opportunities for our students to continue their education. I am grateful for all of the staff who have looked at this crisis as an opportunity to work together. Thank you for your support during this difficult time and please feel free to contact me should you have any questions or concerns. I can be reached at 882-4104 or 882-7767.

Best,

Dr. Terry L. Wood  
Superintendent  
Wiscasset School Department
