

Park Forest - Chicago Heights School

School District #163

At-Home Learning Guidelines

Steps For Families When Accessing At-Home Learning Information

STEP 1

On at-home learning days, all classroom activities and resources will be posted by 9:30 a.m. Based on the grade level of your child, you will receive information through:

Pre-K: Class Tag

K-3rd Grade: Class Dojo

4th - 8th Grade: Google Classroom

(all 4th- 8th grade students have a Google e-mail address)

*Contact your child's teacher if you need your account information

STEP 2

Review the at-home family guide which you will receive from the teacher/principal. The guide will also be available on the school's website. The family guide will provide an overview by subject of what your child could complete for that day. Additionally, all contact information and directions from the teacher will be available.

STEP 3

Read over the daily activities with your child. Plan out your day to ensure your child can contact the teacher if support is needed. Remember, staff will be available during office hours from 9:30 a.m. - 3:00 p.m. to answer questions. Please ensure that any supplies or materials that are needed are available to your child. Parents are encouraged to support their child with at-home activities.
