The Maple Run Unified School District has switched to the Free Summer Feeding Program to help feed the children of our community during the COVID-19 closures. Our pick-up sites are listed below and we are also delivering to bus stops in Fairfield, St. Albans City, and St. Albans Town. This program will begin by Thursday March 19.

First - there is no charge for this meal program. It is free to all children up to age 18. For people living in Fairfield, St. Albans City, and St. Albans Town we have permission to deliver to bus stops. For any other families, we have 4 pick-up sites in the city open for all children under 18 even if they are not in our school system. Our charge is to feed our children during this uncertain time.

The bus delivery will be once a day Monday through Friday. Someone must come out and meet the bus at the normal bus stops. If you are not there when the bus arrives, a meal cannot be left. For Fairfield and St. Albans City routes, the delivery will be from 10:30-11:30. For St. Albans Town routes, the delivery will be from 11:30-12:30. The package will have lunch for the day and breakfast for the next morning. There will be pick-up sites in the following locations: St. Albans City School, BFA St. Albans, St. Albans Town Education Center, and St. Albans Community Action. Pickups will be from 11:00-12:30. These sites are also providing two meals in each package, lunch and breakfast.

A survey was sent out to our school district families. If you didn't receive it or got a message, please contact those staff listed below.

If you have any questions, please reach out to the following staff at your school:
