

Marshall High School Online Resource Page

Directions for student academic maintenance during shutdown

- Go to www.marshalk12.net
- Under the “Schools” tab, click on Marshall High School
- In the Menu Tab, click on either the “Staff” tab at the top or “Staff Pages” at the bottom of the page.
- From this point, students will be able to click on the “Department” or each individual “Teacher” page.
- Many of our teachers have “Online Resources” on the page. If a specific teacher does not have this link, another teacher in the same department will.
- Use these links for sites that will help maintain skills learned.
- If online resources are not available, please have students continue to read.
- In addition to this, regular exercise should take place to maintain physical health.
- Each individual teacher has a link to their email on their respective pages.
- If you have any questions, please email John Ritchey (jritchey@marshalk12.net) or Kevin Keown (kkeown@marshalk12.net).
- Marshall High School Phone # 826-2395
