

Marshall South School to Home Connection- Pre-School

Marshall Community Unit School District C-2 will continue supporting students and their families during the COVID-19 closure. As a reminder, none of this work will be used for grading purposes; however, we are happy to partner with you for your child's continued learning!

Please feel free to contact your child's teacher. Each grade level will have information on their classroom webpage.

The goal of any of the Learning Resources provided is to keep skills already attained and maintained. The expectation of work by students on these days off is encouraged, but optional, and will not be for a grade. Below are some suggestions for students to practice and play online to help reinforce skills.
