March 13, 2020

Dear Parents/Guardians,

I'm going to try to use this letter to update you on everything I currently know about the school closure situation.

As you are aware, on Thursday, March 12th Governor Whitmer declared that all K-12 Schools in Michigan will be closed beginning Monday, March 16th until Sunday, April 5th. Schools are currently scheduled to reopen on Monday, April 6th. At this time we have not received any guidance regarding Spring State Testing.

During this time of closure:

- All trips are suspended until further notice.
- All community meetings including driver education classes, BINGO, One School One Book, and gatherings scheduled to take place within our school facilities are suspended until further notice.
- All school sponsored activities including athletic practices and events, are suspended during this time.
- High school students who are currently enrolled in online courses are expected to keep up with their online courses. Students were able to check out Chromebooks today if needed. During this time, if parents and students want to enhance their learning I recommend using the Khan Academy website at <https://www.khanacademy.org/>

Dates of interest:

- The end of 3rd marking period will be moved from Friday, March 27th to Thursday, April 9th.
- Graduation will remain on Friday, May 22nd.

Please continue to check our school website and Facebook page for updates during this closure.

Sincerely,

Bill Valima
Superintendent/K-12 Principal
