

Food Distribution Instructions

Tomorrow, Thursday, March 19th, Deckerville Community Schools will begin distributing food to our students and families. If your family does not wish to receive meals, please contact our Food Service Director, Laura Vogel, via e-mail at lvogel@deckerville.k12.mi.us. These meals will be delivered via our bus routes, beginning at 11:00am. Please watch for them at your normal stop. We ask that during the approximate distribution times that you have pets such as dogs secured inside your house. The meals will be dropped off at your doorstep. If you have a cooler that you would like us to place food items in, please leave it outside your door. Food will not be dropped-off if conditions at residences are deemed to be unsafe, such as unsecured animals.

Families of students who are picked up at “General Bus Stops” will need to have someone present to pick up food. These stops include Deckerville Estates, Buhl Apartments, Maple St. and Orange, Minden City, The Depot, The Vet Clinic, M19 and Deckerville, and McGregor.

For students without a bus stop, such as in town residences and school of choice students, a distribution bus will be parked in the front of the school from 11:00am-11:30am.

For families who need special consideration, please contact the elementary or high school offices, or at office@deckervillek12.org after tomorrow, Thursday, March 19th.

It is our intention to continue food deliveries on Monday and Thursdays through spring break. Our last food delivery will be on Thursday, April 2nd.

Beginning Friday, March 20th, district offices will be closed until further notice. If you need to contact the district after Thursday, March 19th, please do so via e-mail at office@deckervillek12.org.
