USD 387 Patrons,

A comprehensive plan for continuing learning opportunities is being prepared and will be made available to you by the end of the day on March 31st. Many of the continuing learning opportunities will require digital access. **If you do NOT have access at home, please contact the District Office by 3:00pm on March 25th.** The District Office will resume normal operating hours beginning on March 23rd.

Technology support will be available by appointment in each building weekly. More information will be provided by the end of the day on March 31st.

A schedule will be set for students to gather personal materials from the school buildings and to distribute digital devices for those in K-8 who will be taking advantage of the continuing learning opportunities. When that schedule is set, you will be notified. Transportation will NOT be provided for this.

All events in USD 387 through May 31st have been cancelled. For any questions, please contact the District Office. Both building offices will be open from 8:00 am to 3:00 pm next Monday and Tuesday the 23rd and 24th, if you need to update your contact information (number, email, address) please call

and do so at this time. This will ensure you get all notifications in a timely manner.
