3.18.2020

Dear Parents, Guardians, and Patrons of Little Axe Public School,

Beginning Monday, March 23, 2020, school staff will deliver child nutrition lunches via regular bus routes Monday thru Thursday. These lunches are provided to all children under 18 years of age for free. We will leave the school at 10:00 am with the lunches. If your child chooses to take a lunch, please have them be at their regular bus stop at 10:00 am, as we are currently unsure of times. While we understand this may create a wait time, we definitely do not want to miss anyone who wants a lunch. The meal delivery plan will be very fluid at first as we are trying to evaluate the best way to accomplish delivery. Some routes will have meals delivered via bus, others via school vehicle. Staff will not be picking up any children, and will not be asking them to get in vehicles with them. Meals will be dropped off with children who are at the stop, maintaining distance with little contact. I will continue to communicate plans via Facebook, the school website, and push text. We hope this will be a successful program for Little Axe Public School District! Thank you for your support and patience as we begin this program; the delivery of meals is new for all of us.

Professionally,

Jay Thomas
Superintendent
