

AMI 6-10 McLendon Gifted and Talented Lesson Plans:

Day 6: Answer the following argumentative writing prompt. Support your position with evidence.

Does technology in the classroom ever get in the way of learning?

Day 7: Write a narrative using the following prompt:

One morning you open your front door, and there is a large package sitting outside. What's in it? Who put it there? What do you do with it? Write a story about the package, using specific details to make the story come alive.

Day 8: Descriptive Writing:

Think of a special gift that a friend or family member gave you. Create a thank you note to that person. In your note, describe the special gift, providing clear details. Indicate why you like the gift and tell how you are using it.

Day 9: Log on to www.code.org. Click "Sign in" in the upper right hand corner, Enter the following 6 digit letter section code: **WKSXJG**. Click your name and your secret picture passcode and click sign in. Click continue to start the lessons in coding. Complete at least 5 lessons a day. Your secret picture passcode has been given to you.

Day 10: Log on to www.code.org. Click "Sign in" in the upper right hand corner, Enter the following 6 digit letter section code: **WKSXJG**. Click your name and your secret picture passcode and click sign in. Click continue to start the next lesson where we left off. Complete at least 5 lessons a day. Your secret picture passcode has been given to you.
