

DAY 6

Key a paragraph telling about an experience that you or a friend has had with cyberbullying. Were you a bystander or an upstander? Was the issue resolved?

Day 7

Look at an article or an advertisement from a newspaper or magazine. Make a list of all the formatting features that you recognize have been used to change the appearance so that it is more appealing. (Bold, Italics, Underline, Alignment, Font, Font color, pictures, etc.)

Day 8

Write a paragraph telling what you have learned this semester that you did not learn in Keyboarding. Has your keying improved?

DAY 9

Watch a movie, a TV show, or commercials. Watch for people using technology and list all the different types of technology that you see.

DAY 10

Write a paragraph about why learning how to use different types of technology will help you in the future.
