Meals will be offered to any child age 18 and under (21 and under for special education students) regardless of whether they are a Jefferson Parish Schools student. Children must be present with an adult to receive a meal. Meals will include lunch for that day and breakfast for the following morning. The grab and go service will include pick-up lines outside the school for families to drive through or walk up. In order to avoid creating a large crowd, it is important that families immediately leave campus after receiving their meal and packet.
