

## Wolfpack Athletics Mission & Core Values

At Wolfpack Athletics, our mission is to provide a nurturing and empowering environment for youth sports development. Through our programs in Football, Wrestling, Baseball, Basketball, and Cheer, we strive to cultivate the values of Accountability, Discipline, Respect, & Teamwork.

We are committed to fostering the growth and well-being of young athletes, not only in their athletic endeavors but also in their personal lives. Our organization aims to instill a sense of Accountability and ownership in every participant, encouraging them to hold themselves responsible for their actions both on and off the mat.

With a focus on Discipline, we guide our athletes to develop strong work ethics and self-motivation, enabling them to persevere through challenges and reach their full potential. We believe that the skills acquired through sports can positively impact all aspects of life, fostering resilience, determination, and a competitive spirit that extends beyond the mat.

Respect is at the core of everything we do at Wolfpack Athletics. We teach our athletes to respect themselves, teammates, coaches, officials, opponents, and the sport itself. By promoting a culture of respect, we aim to create an inclusive and supportive community where every individual is valued and treated with dignity.

Teamwork is the cornerstone of our organization. We emphasize the importance of collaboration, communication, and unity among teammates. Through team sports, we teach our athletes the value of working together towards a common goal, understanding that collective effort and mutual support lead to greater achievements.

At Wolfpack Athletics, we are committed to nurturing the holistic development of our youth. By combining athletic training with life skills education, we strive to prepare our athletes for success both on and off the mat. Our mission is to empower the next generation with the tools they need to excel as athletes, leaders, and responsible members of society.

We, the Board of Directors, are committed to the Success of Wolfpack Athletics
