HHS Students, Families, Faculty and Staff:

I hope you're doing the best you can today under the circumstances. We are extremely proud of our students, parents, faculty and staff, and our community. The silver lining is that people are coming together to help. That's what really matters. Reminder that HHS offices are closed, but you can reach us via email. Additional updates will be provided, so please stay tuned to emails, websites and social media. Finally, stay strong, rise up, and never quit. We got this.

Sincerely,

Dr. Chris Becker
Principal
