Mission Statement: To develop students of character while empowering them to achieve personal success.

Students & Parents –

Every teacher at Hartington-Newcastle has been asked to develop “Office Hours” during our closure. These are hours that teachers are going to be available to you immediately, should you need to contact them with questions on the educational materials that have gone home. Teachers will continue to work outside of these hours, but their response may be more delayed than during the set office hours.

If you do not have Internet access, which would inhibit your ability to reach them via email, Google Hangouts, Google Classroom, or Canvas, please contact the school so we can help you make contact with the teachers.
