

JULESBURG SCHOOL DISTRICT RE-1
Julesburg, Colorado 80737

March 19th, 2020

Dear Julesburg parents, students, staff and community members,

As you are aware, the Governor signed an executive order suspending in-person learning in public and private schools across the state from March 23 to April 17. Therefore, we will be meeting next week to develop a plan for providing online teaching and learning that we intend to begin with our students on Monday, March 30th.

In preparing for transitioning to online teaching and learning that will take place in your home for your student(s), we need to make sure that all students have a device (computer, laptop, tablet, etc.) and an internet connection.

- If you do **NOT** have access to a personal device (computer, laptop, tablet, etc.) at home, please click on the link below and complete the student device checkout form: <https://forms.gle/B5GragiJCE3WMSPv5>
- If you do **NOT** have internet connectivity at your home, please click on the link below and complete the internet assistance request form: <https://forms.gle/SLgHts4kENMS286F6>

We also recognize and agonize with the changes and disruptions that the Coronavirus has brought into play for you and your family. This unprecedented event in our nation's history will require us all to work together, to look for ways to lift each other up and to partner with one another to find new ways to do things that we previously took for granted.

We will continue to provide updated information via our website at www.julesburg.org and social media pages. Please do not hesitate to let us know if we can be of further assistance to you and your family with any other challenges you may be facing as a result of this crisis.

Sincerely,

Shawn C. Ehnes

Shawn C. Ehnes
Superintendent
Julesburg School District Re-1
