

# OES LEARNING PLAN

Dear Parent and/or Guardian,

As we embark on this learning environment from home, please remember this is new for all of us and we are on this journey together. Our goal is to keep students and families engaged with their classroom teachers and their school. Learning plans may look different for each student, each household, and each classroom teacher. We want to stay connected with you and work together to meet all of your needs. We appreciate your patience and flexibility and encourage you to reach out if you have any questions or need support in any area. School may be closed but Chanticleer Nation is strong and extends beyond our walls. We expect learning to still happen and relationships to continue to grow in a new and exciting way.

## MR. SMITH'S MESSAGE

- ★ Enjoy the beautiful Nebraska weather. Remember you have the power to make your own weather... sometimes you have to create your own sunshine. 
- ★ Take time to BREATHE! Please do not let yourself get frustrated or stressed out. Talk to your parents, your teacher, Mr. Lansman, Mr. Smith... we are in this together.
- ★ Be patient with your parents. This is new for them too.
- ★ Be the best version of YOU every day... we may not be at school but there is so much we can all do to make ourselves a little bit better every day.
- ★ Make a schedule that works for you and your family. Your schedule may include stuff like: wake up... eat breakfast... make a TO DO list... do learning activities... take a break... do some chores... eat lunch... clean up... take a break... exercise... play... have fun... go to bed
- ★ Control what you can control. Be respectful, be KIND.

## CHROMEBOOKS

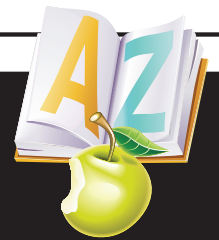

If you have a Chromebook, take good care of it.

- ★ Keep it charged
- ★ Keep it clean
- ★ Use it safely; establish a time and place to use your Chromebook.

*Parents, please monitor your child's Chromebook use at home while knowing all Chromebook usage is monitored through the OPS filter system.*
