Good Evening Placerville Families,

Just a couple of reminders. Food distribution is still happening at all four locations each day for lunch and breakfast and dinner is being provided at the Boys and Girls Club. Remember this is for everyone 18 and under.

Chromebook check out went very well today. We passed out almost 200 Chromebooks. If you were not able to come by today, we still have a few to pass out from the District Office. District Office hours are 7:30-4:00.

School offices will be closed to the public moving forward. They will be answering phones and replying to email. The District Office will remain open at this time.

I was able to see some great video conferencing and use of technology to reach out to students today. Please continue to reach out to your teachers, they are excited to hear from you.

Have a wonderful Evening.
