Spur, TX 79370 / 806-271-3385

Spur Independent School District

Spur ISD will be closed until April 3, 2020. We will continue providing instruction to all our students during this time. We are working with our teachers to determine the best method for streamlining off-campus instruction for our students through April 3, 2020. You will be contacted via email, Spur ISD App, social media, or by phone regarding the instruction that will take place while our district is closed. We plan for this off-campus instruction to be available by March 25, 2020. We will send out information at a later time in regard to your ability to pick up your students work. If you cannot come pick up the work, we will make arrangements to either get it to you digitally or we will deliver it personally.

Please be assured that we will do our absolute best for our students, but this is uncharted territory and we will make mistakes. Please be patient as we work to provide instruction to our students outside the traditional school building.

Ultimately, the safety of our students and faculty is the goal and to that end, the faculty and staff of Spur ISD will not be reporting to the district after our initial meeting, just as students will not.

If you have any questions, don't hesitate to contact me, Mr. Norman, Mr. Molina or your child's teacher. Each staff member has a school email account. The address is the teacher's first initial, last name @esc17.net (example: Craig Hamilton is chamilton@esc17.net). Beginning March 23, 2020, we will respond within 24 hours of any email request.

All extra-curricular events have been cancelled until at least May 4, 2020.

Spur ISD is going to continue to feed our students lunch through these closures. You will be able to pick up your child's lunch at the Northwest cafeteria doors (doors located past the main elementary entrance). We will bring the lunch to your car when you pull up. We are asking you to stay in your vehicle and we will approach your vehicle at that time. Please fill out the form that was sent out yesterday and will be resent today even if your child will not be eating with us. This also a great way for us to make sure we have a correct email address in order for us to contact you.

I want to thank you in advance for your understanding and patience as we work to best serve our students, parents and community. We will re-evaluate this process and adjust to make this process as seamless as possible. Please take care of yourselves and your families. Thank you and God bless each of you.

Craig Hamilton
