

## Upload an image to Google Classroom using a smart phone

**\*\*Please make sure you have downloaded the free Google Classroom app and signed in with your @eatontown.org account**

Each smart phone may vary slightly

Open the Google Classroom

Navigate to the correct assignment and open

Click the 'Your work' near the bottom of the screen

Click the 'Add attachment'

Select 'Take photo' or 'Record video'

Take the picture of video and click 'OK'

You can add another attachment or click 'Mark as done'
