

**EXIRA-ELK HORN-KIMBALLTON COMMUNITY SCHOOL  
HARD SURFACE Western BUS ROUTES**

Time listed at the end of the highway is when we anticipate the bus will arrive at that point to return to school and pick up students along the way. Try to meet your regular bus. If it is more convenient to meet another, do it!!

Announcements will be made on the following radio stations:

- KJAN - 1220 AM Atlantic
- KSOM - 96.5 FM Atlantic
- KNOD - 105.5 FM Harlan
- KMA - 960 AM Shenandoah

If drivers can get to other points in the district, they will call parents to arrange an early pickup. Please only board buses as they return to the district so they keep on time. We hope to never have to use these routes, but if a mud embargo, or weather conditions dictate, we will announce the use of Hard Surface Routes on the radio.
