

JT Family,

Because feeding students is being funded through the Summer Feeding Program which we have partnered with Claremore in the past, we are again partnering with Claremore Schools to provide meals for all our students in need as long as schools are closed during the evolving COVID-19 situation.

Claremore Public Schools is approved for a drive-thru “Grab and Go” meal service. Children, 18 years and under, will receive lunch for the current day and breakfast for the next morning at NO COST.

Meal drive-thru locations begin serving, March 23rd. Locations will be open Monday - Friday from 10:30 AM to 12:30 PM.

- Current locations include:
 - Justus-Tiawah North Campus- 14902 E. School Road (along the loop east of the elementary)
 - Westside Elementary - 2600 Holly Road (circle drive on the north side of the building).
 - CPS Enrollment Center - 101 West 11th Street (circle drive).
 - Cedar Point Church - 1600 N Lynn Riggs Blvd. (under the main entrance sign).
- Our goal is that no student goes without a meal. If you do not have transportation, please contact CPS, 918-923-4100, so we can identify underserved pockets and address those needs.
