Dear Parents, Guardians, and students:

According to governor's Pritzker's executive order today, schools throughout the state have mandated closure until April the 8th. Due to the district's scheduled spring break and the mandated school closure, NCOE students will now return on Monday, April 13th.

The governor also ordered that there be a "stay at home" ordinance during this same time period, limiting unnecessary activity and travel. In an effort to comply with the governor's order, as well as protect the health and safety of as many as possible, school meals will still be available. However, these meals will now be provided on Mondays and Wednesdays with multiple day's meals served on those days. School staff will be limited during this time as well. If you need to contact your child's school administrator an email address can be found on the school app and website during non-staff days (Tuesday, Thursday, & Friday).

Finally, teachers will be reaching out to students and parents during this extended time off for help with supplemental educational materials.

Please continue to check the district website and app for important information and updates.

We pray for the health, safety, and well-being of all our students and community during this difficult time!

Sincerely,

Matthew J Vollman, Superintendent
