**Tecumseh Public Schools Meal Plan during
School Closure from March 23rd through April 3rd**

Tecumseh Public Schools is committed to providing free meals to all of our current students and to any other children who are 18 years of age and under who are currently residing in our district during this school closure and longer, if needed.

From Monday, March 23rd through Friday, April 3rd, students will be able to pick up meals each weekday in one of the following two ways:

- 1) Each student can pick up a free “grab-and-go” meal in person from Cross Timbers Elementary School located at 1111 W. Highland Street between 11:00 AM and 1:00 PM each weekday.

The meals will consist of breakfast and lunch items packaged in one container. An employee will meet the student outside at the circle drive located on the south side of the building. The school building will be closed to the general public. Once a student picks up his/her meal, we ask that she or he return home or to another location. We appreciate your cooperation with this procedure.

- 2) Tecumseh Public Schools will deliver meals to all normal bus drop off points on all routes in the district following the schedule that can be found below. Children should pick up their free meals in person unless they are sick or otherwise unable to make it to the bus stop location. The meals will consist of breakfast and lunch items in one container.

All students who ride Bus 1, 3, 4, 5, 6 and 12 can expect delivery of meals to their bus stops between 10:30 AM and 11:30 AM on Monday, March 23rd.

All students who ride Bus 2, 7, 9, 10, 19, and 20 can expect delivery of meals to their bus stops **between 10:45 AM and 11:45 AM** on Monday, March 23rd.

All students who ride Bus 8, 11, 14, 17, 18, and 21 can expect delivery of meals to their bus stops **between 11:00 AM and 12:00 PM** on Monday, March 23rd.

It is our hope that a more specific window of delivery times for each bus stop will be available after the first few days of meal delivery. It will be our goal to keep all students safe during the delivery of their meals at the bus stops. If a bus driver finds a safer location within range of the bus stop to meet students, the driver may ask students to meet him/her at the alternate location for delivery the following day.

In case of inclement weather, meal deliveries on bus routes may be delayed to keep students safe from severe storms. You can check the News section near the bottom of the school's homepage for information about rescheduling if severe weather is in the area during the time of a meal delivery. Our school's web address is: www.tecumseh.k12.ok.us.

If we inadvertently miss a stop while delivering meals, please call (405)598-3739 before 1:00 PM. We will schedule a time to meet you later in the afternoon at the bus stop with your child's meals.
