Good morning,

I hope this letter finds you well. Before I begin the academic specifics, I want to reassure you that Old Fort Local Schools is taking precautionary steps to ensure the safety of all our students, staff, and families. Mr. Peiffer has had a clear message from day one, and that is safety. I understand these times bring uneasiness and eagerness. Rest assured, we want our students to continue to grow academically with the correct safety measures in place. Our goal is to give you only factual information and limit the amount of messages you receive to ensure a clear understanding.

By this afternoon, your child(ren) will receive information and communication from their teachers that will be used in offering optional online lessons. Attached, you will find each teacher's learning management system that is currently in place. Please remind your child(ren) to also check their emails. Mrs. King, their teachers, and I will be communicating with them through their email as well.

As stated earlier, we want all our students to continue to grow, with the understanding that not all have the ability to use the internet. If you find yourself in a situation where online resources are not an option, please email me at [ecobb@oldfortschools.org](mailto:ecobb@oldfortschools.org), and we can find an alternate means of these optional resources.

If you have any questions or concerns, please, do not hesitate to reach out at any time. Take care, and stay safe!

Sincerely,

*Erica Cobb & Kristina Smith*

Erica Cobb and Kristina Smith  
Old Fort Middle/High School Principal & Assistant Principal
