

# THE CENSUS AND DYER COUNTY SCHOOLS

The 2020 census will count every person (including children) who lives in the United States.

## **WHY DOES THE CENSUS MATTER?**

The census helps guide the government on how to spend \$675 billion.

## **HOW DO THESE FUNDS IMPACT OUR SCHOOLS?**

The money that is distributed helps fund school programs for the next 10 years!

## **WHAT TYPES OF PROGRAMS GET FUNDING FROM THE CENSUS?**

The money helps fund things like special education, Head Start, after-school, free and reduced-price lunches, and classroom technology.

## **HOW DO I FILL OUT THE CENSUS?-**

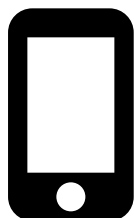

There are three ways to complete your 2002 Census:

You can go online to [my2020census.gov](http://my2020census.gov) and fill your census out online.

You can complete your census by mailing in your completed form.

You can call in and fill out your census via phone.
