

Park Forest - Chicago Heights School District #163

At-Home Learning Enhancements

Monday, March 23rd, 2020

3rd Quarter Grading Period will end on Monday, March 30th

Throughout the school closure, Park Forest - Chicago Heights School District 163 students' grades may be enhanced in the following ways: Any at-home learning activities completed through March 30th, will enhance your child's average by adding extra credit or by replacing any previously missing classroom assignment. Each week's activity counts as one full assignment in all subjects.

At-Home Learning Paper Packets

Students may drop off their At-Home Learning Packets to the school on Friday, March 27th or Monday, March 30th between the hours of 8:00 a.m. - 12:00 p.m. You may drop off your packets in grade level crates in the school foyer or outside weather permitting.

At-Home Learning Online

1. Kdg. - 3rd Grade students will connect with the teacher through Class Dojo and respond to assignments /activities several times per week.
2. 4th - 8th grade students will connect with their teacher through Google Classroom and respond to assignments/activities several times per week.

Thank you for your partnership throughout the school closure. We will continue to provide updates and information to support student learning.

***Please contact your child's building principal, if you need more information.**
